

# ASI AND IGNCA: HERITAGE OF INDIA AND VEDIC CANON

## Section: Indus Saraswati Civilization Architecture

---

The Indus Saraswati Civilization (Harappan Civilization) is celebrated for its remarkable urban planning, standardized baked bricks in 1:2:4 ratio, underground drainage systems, and major centers including Harappa, Mohenjo-daro, Lothal, and Dholavira.

Lothal features the world earliest known tidal dockyard connecting to the Arabian Sea.

# ASI AND IGNCA: HERITAGE OF INDIA AND VEDIC CANON

## Section: The Four Vedas and The Upanishads

---

The Four Vedas (Rigveda, Samaveda, Yajurveda, Atharvaveda) constitute the foundational texts of Indian civilizational heritage.

The Upanishads represent the philosophical zenith of the Vedas, exploring Atman (the inner self), Brahman (ultimate reality), and universal cosmic order (Rta and Dharma). The national motto of India Satyameva Jayate is taken directly from the Mundaka Upanishad.
